WHEREAS, it is also the purpose of this Agreement to continue to establish equitable employment conditions and an orderly system of employee/employer relations, to continue to facilitate the solution of mutual problems, and to continue to improve the care of patients and the practice of nursing.

NOW THEREFORE, in consideration of the mutual covenants herein contained, the parties hereto agree as follows:

ARTICLE 1 RECOGNITION

Section 1

(a) Temple recognizes the Association as the sole and exclusive collective bargaining representative of the employees in the bargaining unit certified by the Pennsylvania Labor Relations Board in Cases No. PERA-U-10, 024-E, PERA-R-4914-E, PERA-U-9007-E, PERA-U-9008-E, and PERA-R-95-369-E, PERA U-0395-E, and PERA-U-03-318-E as modified by the Proposed Order of Unit Clarification dated August 24, 2005 and made final by the PLRB on February 21, 2006.

(b) The bargaining unit shall consist of all full time and all regular part-time employees who regularly work twenty (20) or more hours per week but less than thirty-five (35) hours per week, and excluding supervisors, first level supervisors, and confidential employees as defined in Act 195.

(c) This Agreement shall not apply to a temporary employee. A temporary employee is defined as one who is hired for a period of up to three (3) months and is so informed at the time of hire. The said three (3) months period may be extended up to the length of leave of the employee being replaced. In the event the temporary employee is to be retained, as a permanent employee, the affected employee's seniority shall be retroactive to the employee's original date of hire.

Section 2

Whenever the word "Employee" is used in this Agreement, it shall be deemed to mean the employees in the bargaining unit covered by this Agreement, as defined in Section 1.

Section 3

At the time a new Employee subject to this Agreement is hired, Temple shall deliver to said Employee a copy of this collective bargaining agreement and obtain from the employee a signed receipt therefore, a copy of which shall be provided to the Union upon request.

Section 4

When a new job classification is created within the bargaining unit, the Employer shall notify NATU/PASNAP and shall meet and discuss with the Association regarding hours and rates of the new position.

ARTICLE 2 UNION SECURITY

Section 1

All employees who are or shall become members in the Association, shall remain members over the full duration of this Agreement, except an employee who has joined the Association may resign his/her membership therein during the period of fifteen (15) days prior to the expiration of this Agreement. For the purposes of this Article, an Employee shall be considered a member of the Association in good standing if the member timely tenders his or her periodic dues and standard assessments.

The non-dues paying members as of October 1, 2003 will be grand-mothered as “Freedom to Choose Membership” and exempt from Fair Share hereafter.

Section 2

An employee who has failed to maintain membership in

good standing as required by this Article shall, within twenty (20) calendar days following receipt of a written demand from the Association requesting his/her discharge, be discharged if, during such period, the required dues and standard assessments have not been tendered.

ARTICLE 3 CHECK-OFF

Section 1

Upon receipt of a written authorization from an employee Temple shall, pursuant to such authorization, deduct from the wages due said employee each month, starting not earlier than the first pay period following the receipt of such authorization, and remit to the Association at its principal office regular dues and standard assessment as fixed by the Association. A copy of the report of such payments shall be sent to the Local Treasurer.

Section 2

Temple shall be relieved from making such check-off deductions upon (a) termination of employment, (b) transfer to a job other than one covered by the bargaining unit, (c) lay-off from work, (d) an approved leave of absence, or (e) revocation of the check-off authorization in accordance with its terms or with applicable law. Section 3

Temple shall not be obliged to make deductions of any kind from any employee who, during any month involved, shall have failed to receive sufficient wages to equal the deductions.

Section 4

Each month, no later than the fifteenth (15th) of the month, Temple shall remit to the Association at its principal office deductions made from the wages of employees for the preceding month, together with a list of all employees from whom deductions have been made and a listing of the deduction made from each employee.

Section 5

Temple will furnish the Association each month with the names of newly hired employees, their addresses, the TUID number, classifications of work, department, their dates of hire, the names of terminated employees, together with their dates of termination, changes of names or addresses reported by employees and names of employees on leave of absence. Employees shall promptly notify Temple and the Association of changes in their addresses and names.

Section 6

Section 7

(a) The Association shall indemnify and save Temple harmless from any claims, suits, judgments, expenses (including attorney's fees), attachments and from any other form of liability as a result of making any deduction in accordance

with the foregoing authorization and assignment.

(b) Agency Fee

1. All present employees who are not Association members, and who do not become and remain members in the future, plus all new employees who do not become Association members upon the expiration of their probationary period, shall, as a condition of employment, effective the date of this Agreement, pay to the Association each month a Fair Share fee in the amount equal to the regular monthly dues (not including initiation fees, fines, assessments, or any other charges uniformly required as a condition of acquiring or retaining membership) of the Association, less the cost for the previous Association fiscal year of its activities or undertakings which were not reasonably employed to implement or effectuate the duties of the Association as exclusive bargaining representative.

2. The Association shall provide Temple with the name of each non-member who is obligated to pay a Fair Share fee, the amount of the fee that he/she is obligated to pay, and a reasonable schedule for deducting the Fair Share fee from the salary or wages of each nonmember. Upon receipt of said notice, Temple shall deduct the Fair Share fee in accordance with the schedule, and promptly transmit the amount deducted to the Association.

3. As a precondition to the collection of Fair Share fees, the Association shall establish and maintain a full and fair procedure, consistent with constitutional requirements, that provides nonmembers, by way of annual notice, with sufficient information to gauge the propriety of the fee and that responds to challenges by non-members to the amount of the fee. The procedure shall provide for an impartial

hearing before an arbitrator to resolve disputes regarding the amount of the chargeable fee.

4. Temple shall be relieved from making such "check-off" deductions upon (a) termination of employment, or (b) transfer to a job other than one covered by the bargaining unit, or (c) lay-off from work, or (d) an approved Leave of Absence, or (e) revocation of the check-off authorization in accordance with its terms or with applicable law.

(e) Seminars requested for professional growth and development must be related to the nursing field and be approved by the Administrator. Six thousand dollars (\$6,000) for registered nurses will be made available for payment of fees for conferences and seminars. This amount will remain at least six thousand dollars (\$6,000) for each fiscal year during the term of the agreement but will be reviewed on an annual basis. Employees may use such funds for on-line CEUs required to maintain certification, upon proof of successful completion. The University shall provide the Union a report of utilization of these funds semi-annually, on July 1 and January 1.

In addition to the above, advanced practice nurses shall be granted up to five paid days off per year and an allowance of up to \$2,000 per year for fees and approved expenses to attend continuing education programs required to maintain certification. The allowance may also be used for professional organization membership dues as well as accredited CME courses offered by correspondence and online, upon proof of successful completion.

(f) If a program is available within Temple University, employees will not be reimbursed for outside seminars.

(g) It will be the responsibility of Medical School Management to provide formalized classroom (teaching) orientation and clinical education through didactic sessions and unit orientation. Staff nurses may be responsible for job area familiarization.

(h) Temple will provide regularly scheduled CEU courses every month as a part of its in-service program. The topics of each will be announced at least six (6) weeks in advance. Attendance at in-services shall be requested and scheduled in advance so that coverage may be provided for the unit.

(i) Upon request of either party, the Labor Management Committee will review implementation of this article.

Such employees who are participants in the Defined Contribution Pension plan will be grandfathered so that years of participation in the Plan while continuously employed at TUH or TUCMC will be credited to their Plan participation at Temple.

Employees hired from TUH or TUCMC with a TUH or TUCMC employment date after April 21, 2006 shall be considered newly hired employees at Temple University for all purposes.
