4. PASNAP shall indemnify and save Prospect harmless against any and all claims, demands, suits or other forms of liability that may arise out of or by reason of action taken or not

taken by Prospect for the purpose of complying with any of the provisions of this Article or any other provisions of this Agreement relating to membership in, or monies deducted from employees' wages for, PASNAP, or obligations of PASNAP members, or by reason of Prospect's reliance upon any list, notice, request or assignment furnished under any of such provisions or by reasons of any action taken or not taken by PASNAP.

2. Any employee who violates this Article shall be subject to immediate discharge. Such discharge shall not be subject to arbitration except on the limited issue as to whether the employee has engaged in such proscribed activity. Nothing in this section shall preclude the Employer at its discretion from imposing discipline lesser than termination.

3. In the event of any conduct in violation of this Article, the Union and its officers, agents, and representatives shall immediately take positive and evident steps to have those involved cease such activity. These steps shall involve the following: immediately after the occurrence of any such unauthorized action (but in no event more than one (1) hour thereafter), the Union, its officers, agents, and representatives shall publicly disavow same and shall state such in a letter (sent by facsimile and email) to the Employer's Vice President of Human Resources; notwithstanding the existence of any picket line; the Union, its officers and

representatives shall not aid or assist any such unauthorized action; and the Union, its officers and representatives, will, in good faith, use every reasonable effort to terminate such unauthorized action. 4. In consideration for the Union's commitment as set forth in this Article, the Employer agrees that it shall not lock out employees during the term of this Agreement.

ARTICLE 5 EMPLOYMENT STATUS

1. **Full Time/Part Time/Per Diem Employees:** For the purposes of this Agreement, a full time employee is an employee who is regularly scheduled to work thirty-six (36) to forty (40) hours per week. A part-time employee is an employee who is regularly scheduled to work twenty (20) to thirty-five (35) hours per week. Per Diem employees are defined in Article XX Per Diem.

2. A part-time employee shall not be converted to full-time status due to working extra hours or shifts, and per diem employees shall not be converted to part- or full-time status due to working extra hours or shifts. An employee may maintain only one of the foregoing statuses at any given time.

3. **New Employees/Probationary Period:** New employees shall work under the provisions of this Agreement but shall be on a probationary basis for the first ninety (90) calendar days of employment, which shall be extended an additional thirty (30) days upon written notice to the Union. During the probationary period, the employee shall not have access to the grievance or arbitration provision of this Agreement for discipline and discharge.

ARTICLE 6 PER DIEM AND CROZER EMPLOYEES

1. If a per diem employee works in excess of 1000 hours in any six (6) month period, or if the total per diem hours of any department exceeds 2000 hours in a six (6) month period, the hospital may review the needs of the department and may, in its discretion, post a position.

2. A per diem employee must be available to work according to departmental guidelines. A per diem employee who fails to meet the guidelines shall be considered a voluntary resignation. Hospital cancellations of scheduled hours will be considered as hours satisfied in meeting this minimum requirement.

3. Nothing in this article shall prevent the current practice of CKHS employees who work at other sites from back-filling holes in the schedule covering for vacations, and other scheduling needs of the unit. At no time should members of the bargaining unit's FTE status be

affected by this practice. The hospital and the union agree that the union will not file a unit clarification for those non-union employees to join the bargaining unit for the life of the contract.

ARTICLE 7 OTHER LEAVE BENEFITS

1. **Bereavement:** Three (3) workdays off with pay may be taken by full-time employees within the seven (7) calendar day period following the death of a parent, stepparent, spouse, child, brother, sister, stepbrother, stepsister, legal guardian, relative residing in the same household or same-sex domestic partner. One (1) workday off with pay may be taken by full-time employees within the seven (7) calendar day period following the death of a parent-in-law, brother-in-law, sister-in-law, grandparent, or grandchild. Full-time employees working other than 8-hour shifts will receive a maximum of 24 hours' bereavement pay.

Part-time employees working 20 or more hours per week shall be eligible for bereavement leave equal to one-half the benefit of a full-time employee. A part time employee working less than 20 hours per week will be eligible for time off under this provision but will not be eligible for paid leave.

2. **Jury Duty:** An employee who is called to jury duty shall be entitled to paid leave. The employee shall be paid the difference between his regular pay and the compensation for jury duty received from the court. An employee called to jury duty shall be required to present a statement issued and signed by the clerk of court stating the number of days the employee was on jury duty and the compensation paid.

3. **Family Medical Leave:** The parties agree to follow the Employer's Leave of Absence/FMLA policy, except as modified as follows: Employees returning from a leave of absence for their own serious medical condition shall retain recall rights for up to one (1) year. Upon an employee's return from leave after twelve (12) weeks, the employee shall return to their prior position, if available, or to a comparable position, if available. If no such positions are available, employees may elect per diem status and retain the right of first refusal to their prior position when such position becomes available. In the event the Family Medical Leave Act is amended or modified in any way, the Employer will meet with the Union upon request to discuss the implementation and impact of such amendment or modification on the employees in the bargaining unit.

4. **Further Extensions for Employee's Own Medical Condition.** If an employee on leave is not able to return at the end of the twelve weeks of FMLA, due to their own serious ongoing health condition, he or she may request a further extension of unpaid leave three (3) months within a rolling year dating back from the date the leave is requested. Leaves will be granted if operational and patient care needs, in the Hospital's judgment, allow. If the employee returns within such three-month period, they are not necessarily guaranteed reinstatement to the individual's same position if their position becomes unavailable during the extended leave. However, if the employee's same position is not available upon return to work/fitness for duty certification from an extended leave, he or she shall be given preference

for vacancies in the bargaining unit provided the employee is qualified. If no vacancy exists, the employee returning from leave shall have the right to a PRN position.

5. Health Insurance will be continued up to six (6) months for employees on leave of absence who are plan participants if they continue to pay their designated employee share of the contribution. Premiums must be forwarded to the Benefits Department by the employee to stay a member of the plans.

Full time employees on leave of absence will also be covered under the Long-Term Disability Insurance for six (6) months. If an employee's payment is more than 15 days late, management will send a letter notifying the employee that coverage will be dropped if payment is more than 30 days late unless the copayment is received before that date. Whenever such employees are receiving pay from Prospect Health during any leave, the hospital will deduct the employee portion of the group health plan premium from the employee's paycheck in the same manner as if the employee were actively working.

6. All other leave benefits within the Crozer Family/Medical Leave of Absence policy shall apply, if Crozer changes the policy the hospital shall have the right to meet with the Hospital to discuss the effects of the changes to the policy on bargaining unit employees.

7. Personal, Educational & Military Leave: Bargaining unit RNs will be eligible for personal and military leaves in accordance with Crozer policies governing these subjects, provided that the policies apply equally to bargaining unit and non-bargaining unit employees.

8. Other Leave: It is the Employer's intent to fully comply with any applicable federal, state, or local law that requires the Employer to provide employees with paid or unpaid leave in excess of what is described in this Article.

ARTICLE 8 HOURS OF WORK AND SCHEDULING

1. The regular workweek shall consist of 40 hours per week (or appropriate FTE status). Nothing in this Article shall be construed as a guarantee of work. The "pay period" shall consist of seven (7) days, one hundred sixty-eight (168) hours, beginning with shifts starting after 12:01 AM Sunday and ending with shifts ending before 12:00 midnight the following Saturday.
2. The regular workday for employees shall be either eight (8), nine (9), ten (10), or twelve (12) hours, at the discretion of management, exclusive of a half hour unpaid meal break. Starting times and ending times shall be based upon the needs of the department. The Employer retains the right to establish starting and end times of shifts, and to switch employees to a shift of longer or shorter duration than those listed above, or to create a shift that is longer or shorter than the shifts listed above, provided that the Hospital gives the Union thirty (30) days' notice before implementing any of the above changes, and such

changes shall only be made based on legitimate operational needs and not in an arbitrary way. In the event the Hospital creates a new shift, such shifts shall be offered on a voluntary basis; if there are multiple volunteers, the award shall be made by seniority provided the employer is qualified, in the Employer's judgment. If there are no volunteers, or insufficient volunteers, the new shift shall be assigned by inverse seniority to an employee who is qualified to perform the work.

3. Overtime shall be paid for all hours worked over an employee's scheduled shift, at the rate of time and one-half the employee's applicable hourly rate. Overtime shall also be paid for all employees who work more than 40 hours in one week. There shall be no pyramiding of overtime.
 - a. Involuntary Overtime: The Hospital will comply with the terms of the "Prohibition of Excessive Overtime Act" ("The Act") unless this Agreement provides for more favorable conditions for the employee, in which case this Agreement shall apply.
 - b. Voluntary Overtime and Extra Work: Qualified employees can sign up to work additional shifts as desired, by notifying the Employer of their ability for such work opportunities. Employees will be selected for such extra work opportunities on an equitable basis.
4. Scheduling practices in place in each department shall continue as in the past following the ratification of this Agreement. In PM&R, shifts shall continue to be "self-scheduled," employees selecting their preferred shifts.

New section 4: Employer proposes that the current contract language remain as-is; the Employer further proposes meeting with the Union within 45 days of ratification of the Agreement to discuss scheduling practices.
5. Once the self-scheduling process is complete, the schedule shall be submitted to the Scheduler, who shall have the authority to alter the schedule based on operational and patient care needs, as well as the rules for the department.
6. When complete, the Schedulers shall post the schedule on the unit.
7. After the schedule has been completed by the process outlined in Subsections (a)-(b) above, it shall be posted. The schedule normally will be posted thirty (30) days in advance and will only be changed by mutual agreement. An employee shall be permitted to switch shifts with at least twenty-four (24) hours' advance notice but must receive approval and is responsible for finding another employee to work the shift. Employees may switch shifts with less than twenty-four hours in emergent situations with management approval. A shift change will not be approved if it would result in an employee receiving overtime. Per diem employees shall be permitted to switch shifts as long as there is no open shift.
8. After the schedule is posted, a list shall be posted on the unit of available overtime shifts. Such shifts shall be distributed equitably between the employees on the unit.

9. Employees shall not be required to schedule coverage for pre-scheduled time off.
10. Speech Therapists who regularly work eighty (80) hours per pay period shall maintain a 1.0 FTE status.

ARTICLE 9 NON-DISCRIMINATION

1. Non-Discrimination Policies

a. The Employer shall continue to apply its existing policy of non-discrimination on the basis of race, color, ancestry, religion, sex, sexual orientation, national origin, age, pregnancy, physical or mental disability, citizenship status, veteran status, gender identity or expression, genetic information or any other characteristic that is protected by federal, state or local law. Specifically, the Employer shall apply and enforce the Hospital's Equal Employment Opportunity Policy.

b. The Employer shall not be required to notify or bargain with the Union prior to implementing modification to its Equal Employment Opportunity Policy so long as that Policy, as modified, continues to apply to all employees, both bargaining unit and non-bargaining unit.

2. Investigations: The Union acknowledges that the Hospital's Equal Employment Opportunity Policy prohibits discrimination or harassment of employees. If any bargaining unit employee notifies the Union of an alleged violation of this Article, the Union will encourage the employee to bring the matter to the attention of the Employer in accordance with the Hospital's Equal Employment Opportunity Policy. Once a complaint has been presented to the Employer, the Union will cooperate with the Employer in its investigation.

3. Gender Neutral Language: Where the masculine or female gender is used in any job classification or provision in this Agreement, it shall not be deemed to refer to either or both sexes and is not intended, or shall it be deemed to limit, job eligibility or the application of any provision of this Agreement to members of either sex.

4. Election of Remedies: In the event an employee has filed a charge or complaint with any federal, state or local human relations agency alleging conduct that violates this Article, neither the employee nor the Union, on behalf of the employee, shall be permitted to pursue a grievance under the Grievance and Arbitration procedure in this Agreement arising from the same set of circumstances as the employee's administrative charge or complaint.

Such requests shall not be unreasonably denied. Except for vacation that has been utilized due to involuntary cancellation, employees who exhaust their available vacation time prior to their scheduled vacation period (for example, by using vacation time concurrently with FMLA leave) forfeit their scheduled vacation period.

e. Up to two times entitlement of unused vacation time may be carried over into the following year. At the end of a calendar year, any accrued vacation time beyond two times the yearly entitlement shall not be carried over and shall be forfeited.

3. Sick Leave:

a. Full-time, non-probationary employees shall accrue twelve (12) sick days per year on a bi-weekly basis. Part-time, non-probationary employees shall accrue six (6) sick days per year on a bi-weekly basis. Per diem employees shall not accrue sick leave.

b. Sick leave may be banked up to nine-hundred sixty (960) hours; once an employee has nine-hundred sixty (960) hours in their sick leave bank, no further sick leave shall accrue until the bank falls below nine-hundred sixty (960) hours.

c. Sick leave may be used only in the event an employee is ill or otherwise personally medically unable to work.

d. An employee absent for three (3) consecutive days or longer, or whom a supervisor suspects of using sick leave in a manner not permitted by this Article, will be required to provide a doctor's note certifying the illness. If a doctor's note is not provided within fifteen (15) days,

the employee at the discretion of management may be disciplined and sick leave will not be paid.

e. Sick leave shall not be paid or cashed out.

ARTICLE 14 SENIORITY

Two types of seniority shall be used: hospital system seniority and bargaining unit seniority. Hospital system seniority will be used for calculating applicable benefit entitlement such as vacation accrual and health benefits. Bargaining unit seniority will be the primary factor in connection with choosing vacations, layoff, and recall. Bargaining unit seniority will be considered as a factor in connection with promotions and transfers.

1. Definitions and Application:

a. Hospital system seniority shall be defined as the total length of time an employee has been continuously employed in any capacity by CKHS/Prospect Medical Holdings. This time includes work for any CKHS predecessor(s). Cessation of employment for longer than three (3) months with any CKHS entity shall cause a break in hospital system seniority.

b. Bargaining unit seniority shall be defined as the length of time an employee has worked continuously in a classification within the bargaining unit. For employees at Crozer-Chester Medical Center as of June 29, 2020, uninterrupted time spent as an employee at Crozer shall count in the calculation of bargaining unit seniority. Bargaining unit seniority for employees hired after June 29, 2020 shall be defined as the length of time continuously employed in a bargaining unit classification.

2. Accrual

a. Bargaining unit seniority shall commence after the completion of the probationary period and shall be retroactive to the date of hire, provided the employee's employment has been continuous.

b. Seniority shall accrue during a continuous authorized leave of absence without pay, up to twelve (12) months for illness, injury and maternity/paternity, provided the employee returns to work immediately upon expiration of the leave of absence.

c. If out due to a workman's compensation issue, there shall be no loss of seniority.

3. Loss of Bargaining Unit Seniority

Seniority shall be broken when an employee:

- a. Quits, resigns, retires or takes a job outside the bargaining unit when the employee's job in the bargaining unit is available;
- b. Is discharged for just cause;
- c. Is laid off for a period of twelve (12) months or the length of their employment, whichever is shorter;
- d. Is absent due to any illness or injury (compensable or non-compensable) for twenty-four (24) consecutive months;
- e. Fails to report to work for two (2) consecutive working days after being recalled from layoff, being reinstated to work, or being scheduled to return to work from a disciplinary suspension;
- f. Fails to return immediately following the end of a leave of absence, vacation or sick leave;
- g. Is absent from work for two (2) consecutive shifts without management approval.

4. Prospect agrees to provide, upon PASNAP's request, an updated seniority list on January 1 and July 1 each year during the life of this Agreement.

5. An employee who leaves the bargaining unit and who maintains continuous service with CKHS shall have all of her bargaining unit seniority restored, provided the employee returns to a bargaining unit position within one (1) year. Seniority shall not be considered as a factor, or otherwise entitle the employee to preferential treatment, when bidding on a job to re-enter the bargaining unit.

6. Tiebreaker: In the event employees have identical bargaining unit dates, then hospital system seniority shall determine an employee's position on the seniority list. In the event employees have identical hospital system seniority, the date of the employee's job application shall prevail.

7. Seniority shall equally accrue for all employees no matter the position, hours of work or appointment fraction the employee works.

ARTICLE 15 LAYOFF

1. A layoff is defined as the elimination of a position which results in the permanent termination of the employment relationship for a member of the bargaining unit.

- 2. Layoffs shall be by bargaining unit seniority.
 - a. Prior to layoffs, management shall ask for volunteers.

b. Employees affected by Prospect layoffs may apply for jobs within the Crozer health system.

3. When possible, CCMC will give ten (10) days' notice to PASNAP when a layoff is to occur, along with the number of positions that are being eliminated and their location. The Union shall have the opportunity to negotiate the effects of the layoff.

4. For a period of one (1) year, laid off employees shall be entitled to recall to bargaining unit positions that become available and for which the employee is qualified, in accordance with the process and criteria described above.

ARTICLE 16 POSTING AND TRANSFERS

1. Management will endeavor to post on the intranet vacancies, as soon as practicable, all available bargaining unit positions. Job postings shall include required qualifications.

Job postings shall remain on the intranet for seven (7) calendar days prior to the filling of such positions. CCMC shall consider such applicants in accordance with qualifications and length of service. When selecting among current employees in the bargaining unit, when qualifications among employees are equal in management's judgment, the employee with the most classification seniority shall be awarded the position. However, nothing in this Article shall restrict CCMC from selecting non-bargaining unit applicant for a position over an employee in the bargaining unit. The employee must accept or decline the position within three (3) working days of personal contact with the manager or the position is forfeited.

2. Transfers:

a. A present employee of CCMC transferring into a new job classification shall not be considered a probationary employee but shall be evaluated on their clinical competency during the orientation period. If such individual shall be deemed not to have the competencies necessary for the new job classification, they shall be returned to their original position if it has not been filled. If the original position has been filled, the returning employee shall be returned to an open position for which they are qualified. If there is no available open position, the employee shall be converted to per diem status and have the right of first refusal for the next open position for which they are qualified to perform.

ARTICLE 17 PAST PRACTICE

Unless specifically enumerated in this Agreement, no practice, procedure, or policy of the Employer shall be construed as a “past practice” subject to enforcement under the terms of this Agreement.

- b. Employees who arrive after 10am may park in the parking garages for free.

- d. The hospital will continue the practice of reimbursing Registered Dieticians for their licensing fee. (Pending confirmation by the Employer)

ABA reimbursement, Section e: Employer proposes that the current contract language remain as-is; the Employer further proposes meeting with the Union within 60 days of ratification of the Agreement to discuss ABA-related requirements.
ABA reimbursement, Section e: Employer proposes that the current contract language remain as-is; the Employer further proposes meeting with the Union within 60 days of ratification of the Agreement to discuss ABA-related requirements.

ARTICLE 18 CANCELLATION

1. Voluntary Cancellation Day: If management determines that a Cancellation Day (CD) is necessary, the Hospital shall offer a voluntary CD. An employee may volunteer to take the offered CD and shall have the option to use unscheduled vacation or personal holiday time or take the day off without pay at the employee’s option. In the event two employees volunteer for one CD opportunity, the Employer shall award the CD to the employee with greater classification seniority on a rotational basis.
2. a. Mandatory Cancellation Day: In the event there are an insufficient number of volunteers to take an CD and management determines that employees must be cancelled the Employer may mandate the employee on the unit with the least bargaining unit seniority to take an CD. Mandation of CD shall be done on a rotational basis within the unit by inverse seniority. An employee who has volunteered for a CD during the rotation shall be skipped and shall not be made to take a mandatory CD until that rotation is complete. However, an employee shall receive credit for a voluntary CD only once during a rotation. The rotation list shall be

maintained on the unit. This shall be limited to no more than eight (8), ten (10) or twelve (12) hours (whichever corresponds to the employee's shift length) per pay period.

b. Mandatory Cancellation Order:

- b. PRN by specialty
- c. Employees working beyond their FTE status
- d. Rotation by inverse seniority

3. On-Call: Employees who are given a low census day for a part of the shift may be placed "on-call" for up to the first four (4) hours of their shift. These employees will be paid \$3.25 per hour. Employees must report to work within 1 hour after they have been called to work.

a. This "on-call" will be limited to 12 hours per pay.

b. The Employee may volunteer to remain "on call" for the remainder of their shift at the employee's discretion. Hours spent voluntarily on call shall not count toward the number of hours in Section 3(a) above.

ARTICLE 19 SCHEDULED ON CALL PROCEDURES

1. An employee who has been called in to work while "on-call" shall be paid a minimum of four (4) hours at their regularly scheduled rate each time they are called in.

2. On call rates shall maintain status quo for the life of the contract.

3. Employees may request a beeper for "on-call" or have the Hospital contact them on their personal cell phones.

4. The Employer shall make reasonable attempts to assign "on-call" assignments on an equitable basis. Any dispute relating to "on-call" scheduling shall be handled exclusively through the Labor-Management process in this Agreement. After "on-call" has been scheduled, employees may continue to switch call shifts as per the current practice.

5. If an employee who is on-call is called into work anytime within six (6) hours prior to the start of their next scheduled shift, they may leave that day as soon as possible provided workloads and working conditions permit. Management will attempt to secure volunteers and PRN staff to alleviate workloads and permit the employee to leave. If the employee is permitted to leave early, the employee may elect to use vacation, banked holiday or personal leave for all hours scheduled but not worked on that day.

ARTICLE 20
DISCIPLINE AND DISCHARGE

1. CCMC shall have the right to discharge, suspend or discipline any employee for just cause. In the event of a suspension or discharge, CCMC shall contact the grievance chairperson or Union President, prior to the disciplinary meeting.

2. Employees may be suspended pending the completion of an investigation. The period of investigation shall not extend beyond twenty-one (21) days unless an extension is requested and agreed to by the union, and the union will not unreasonably deny an extension. If the employee is returned to work after the investigation, they shall be paid for all shifts missed as a result of the investigation. If the employee is terminated, the date of termination shall be the start of the suspension.

ARTICLE 21
PERSONNEL FILES

1. Final Warnings may be considered for disciplinary purposes for two (2) years, and other infractions may be considered for disciplinary purposes for one (1) year. An employee's record shall be cleared after two (2) years, provided that the two (2) years shall be free of infractions. Nothing in this Article shall require that documentation be removed from an employee's personnel file. Employees shall have the right to request an appropriate time to review their personnel records. Such requests shall not be unreasonably denied. Employees may attach comments to items in the personnel file with which they disagree.

ARTICLE 22

In no event shall any employee receive a cash-out for any unused continuing education funds. Staff will also have two (2) paid days off per year to attend educational conferences/CEU; such days will be granted off if operational and patient care needs permit. For employees who, as of the Date of Ratification of this Agreement, receive \$500.00 and three (3) paid days off per year, they shall continue receiving that benefit.

3. Reimbursement of 100% of tuition up to a maximum of four thousand dollars (\$4,000.00) per year (September 1-August 31) for full-time employees following successful completion of the probationary period. Part-time employees receive reimbursement of 100% of tuition up to a maximum of two thousand dollars (\$2,000.00) per year (September 1-August 31). Employees will be paid by Crozer Health System with proof of a passing grade of C or above, or a rating of Pass in a pass or fail system or receipt of a passing grade on a CLEP or Challenge Examination.

Grievances shall be processed and disposed of in the following manner:

STEP ONE – The grievant and the Union representative shall submit the written grievance to the grievant's Department Head or his or her designee. The Department Head or his or her designee shall have seven (7) calendar days after receipt of the grievance to meet with the grievant and his or her Union representative and, once the meeting has occurred, seven (7) calendar days to give his or her answer in writing. If the response is not given within the time limits set above, then the grievance shall proceed to STEP TWO. If no satisfactory settlement is reached, the grievant or the Union may, within seven (7) calendar days after the Department Head's answer, appeal the matter to Step Two.

STEP TWO – The grievant and the Union representative shall submit the written grievance to a Human Resource Manager, who shall have fourteen (14) calendar days after receipt of the grievance to meet with the grievant and the Union representative and, once the meeting has occurred, fourteen (14) days to give his or her answer in writing. If the response is not given within the time limits set above, then the grievance shall proceed to STEP THREE. If no satisfactory settlement is reached, the Union may, within thirty (30) calendar days after Human Resource's answer, appeal the matter to Step Three.

STEP THREE – If the grievance is still not satisfactorily settled, the matter may be appealed to an impartial Arbitrator. The Arbitrator shall be selected in accordance with the prevailing rules of the American Arbitration Association applicable to labor arbitrations.

If any Article or Section of this Agreement is held invalid by operation of law or by any tribunal of competent jurisdiction, or if compliance with or enforcement of any Article or Section should be restrained by such tribunal pending a final determination as to its validity, the remainder of this agreement shall not be affected thereby.

2. In the event that any Article or Section of this Agreement is held invalid or enforcement of or compliance therewith has been restrained, as set forth above, CCMC and PASNAP shall enter into immediate collective bargaining negotiations for the purpose of arriving at a mutually satisfactory replacement provision.
